To our friends and community,

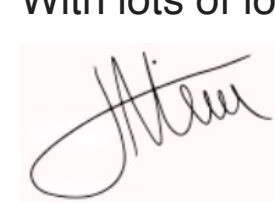

January is over, February is here  
The Positive iMPACT Movement is growing in love and in togetherness  
Through each of you who define this movement  
For it to change the world from the inside-out.

A new world through your limitless potential  
Your uniqueness potentiating your power of being  
The freedom to be who you are and create what you love  
Growing the Socially-Conscious Leader that you are.

A Leader with values  
A Leader for yourself, before anyone else  
Love, inspiration and support through your own example  
For the world to thrive through your Socially-Conscious Leadership.

Giving and receiving through your uniqueness  
Giving, to nurture yourself and others  
Receiving, to grow yourself and others  
The Positive iMPACT spiral of co-creation for the benefit of all.

With lots of love and gratitude,

Jeannette & your PiMOV Family

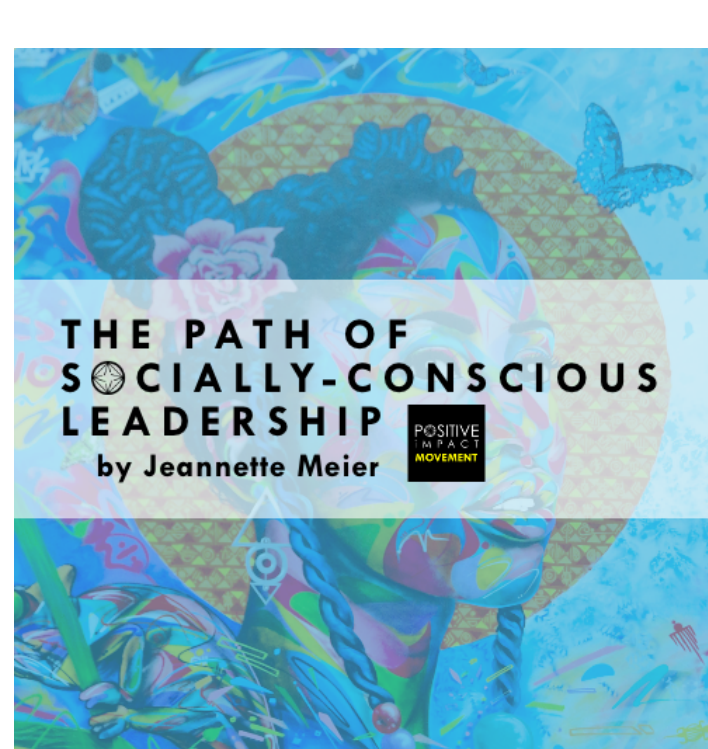

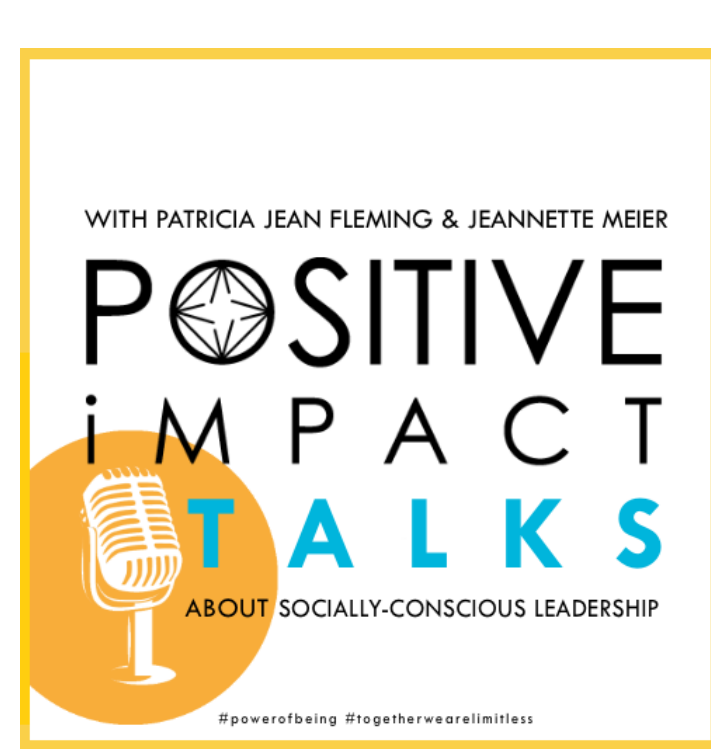

#powerofbeing #togetherwearelimitless

Dare to be who you are and create what you love

Daring to be is to stay in the present, to listen, to observe, to respond from the heart. Doesn't sound easy, but once discovered, it's freedom!

Explore, experience and practice with us, in freedom and safety, to potentiate your inside-out living. Once discovered, you will not want to go back. Promise.

These 2 podcasts are an example of walking our talk. These trigger our, and, we hope, your exploration, experience and practice to potentiate the Socially-Conscious Leader in you.

We proudly premiered them this month! Check them out!

Society needs you!

Don't you think it's time to redefine today's Leadership?

This is the key question with which we start the workshop "The Path of Socially-Conscious Leadership" where we together redefine Leadership for a better world.

For PiMOV, it is equality, uniqueness, and co-creation. It can be redefined in many other ways, too!

For us, there are no levels of leadership, there's only co-creation:  
There's just you and your authenticity, from which you create, share with, and receive from others through their being and doing in uniqueness.

How would you redefine it? Join our workshop!

Connect, collaborate and grow for a better future

With excitement we announce the co-creation of the PiMOV badge "I Stand for the Positive iMPACT Movement" which collects the values and principles of this movement to together change the world from the inside out.

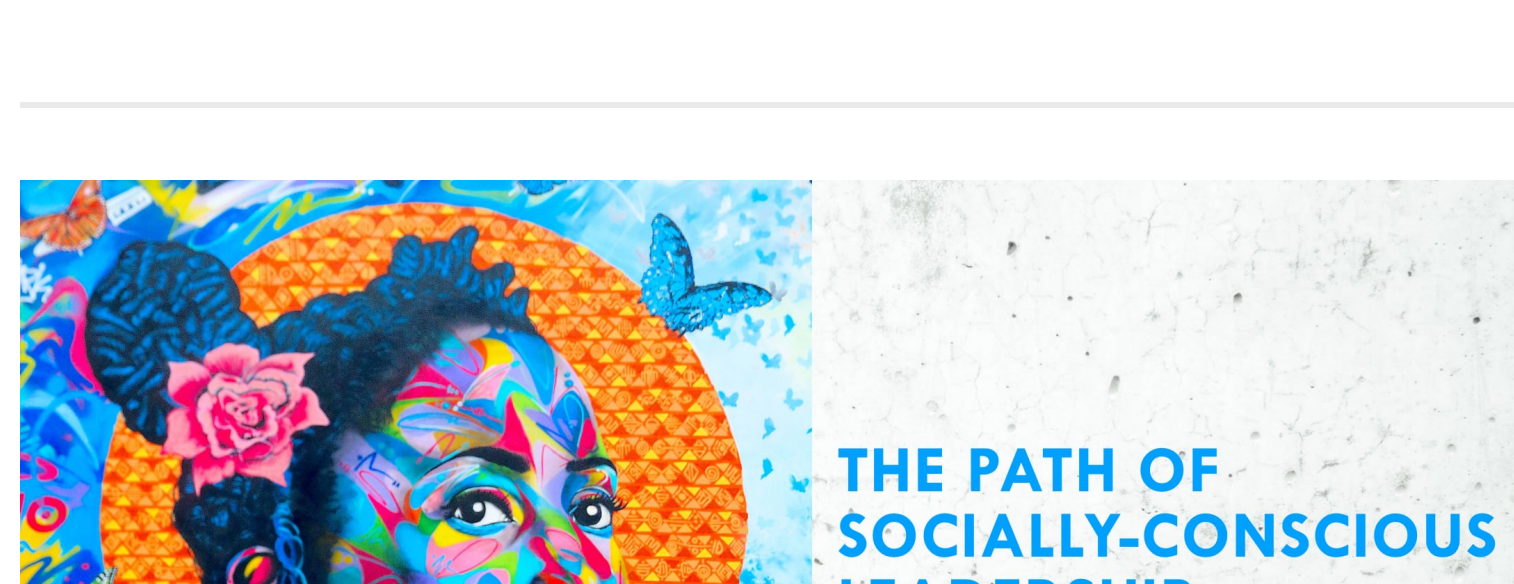

Click on the badge to stand for a better world: Together we are limitless!
