In Love of Co-Creation →

Hello beautiful friend, welcome to the PIMOV Recap!

As October is almost gone, and November is around the corner, I have been witnessing how many of you are getting stronger in your desire to change this world from the inside out.

In this Autumn, I love how your amazing colours are shining through. It feels like you are letting your old leaves fall to start anew 🌟

True inspiration comes through the heart with no intention to guide others, but to share your journey and experience as you unravel your truth.

Being in truth is nothing else than being in integrity for who you are, and sharing this to the world by walking your talk, and loving, valuing, and respecting yourself, and everyone else.

Why not continue inspiring and co-creating the New Earth through your unique colour palette, the one that cannot be put into a One-Size-Fits-All box?!

With lots of love and gratitude,

Jeannette & the Positive IMPACT Movement

#powerofbeing #togetherwearelimitless

Dare to be who you are and to create what you love!

Let yourself flow
Into who you are today
For you to grow into your Being
Whilst discovering your limitless potential.

Let yourself be who you are
Today, and every day
For you to uncover your potential
Whilst growing your Uniqueness.

Let yourself be in Freedom
In integrity for who you are
For you to become Love
That which you already are.

Let yourself be Love
Loving and valuing everyone else
For you to unite in Freedom
Into the Oneness of everything and everyone.

Let yourself co-create
Through Love and Uniqueness
For you to grow into your Self
And together thrive into Oneness.

Leave your creations behind
Those that have grown you into the "I AM"
For you to expand into Oneness
And together co-create the new earth.

Grow the Leader in you. The world needs you!

David Icke - In Truth to his Power of Being, no Matter What

Lately, you might have heard of David Icke since he has been banned by some social media channels and also highly criticised by the media. Here, we do not want to highlight anything about his work, other than for you to get inspired by how this human-being remains in integrity for who he is, no matter what.

*This article describes our point of view to what we see in David. We do not know him personally, but this is what he inspires us to write from what we have experienced from his Power of Being - his Freedom to be who he is and to create what he loves.

Co-Creation goes beyond Collaboration

Una entrevista por [Yogi John](#), [John D. Mc Donald](#)

Hoy hablamos en castellano.
Hoy él me entrevista a mí.
Hoy comparto parte de mi crecimiento y de mis percepciones.
Hoy yo sé que yo no sé nada.

Nada es la verdad.
Únicamente la que tú creas a través de tu corazón.

Es tu responsabilidad vivir esta vida.
No es la de nadie más.
Y con esta responsabilidad viene el crecimiento y la sabiduría del no saber, de tu propósito, y de la Libertad.

No mires hacia afuera, mira hacia adentro.
Observa a cada instante y aprende a amarte, valorarte y respetarte.
Empieza a cambiar tu mundo por ser lo que tu quieres ver.
Tú eres auténtico.
Tú eres tu propio líder.
Tú eres Tú.

La Nueva Tierra se co-crea a través líderes que lideran por su propio ejemplo .
¡El cambio empieza por tí!
